

# The EASTERN Senior

EASTERN DISTRICT HIGH SCHOOL  
BROOKLYN, N. Y. CLASS OF 1956

LOUIS K. WECHSLER, *Principal*

MR. LOUIS K. WECHSLER  
Our Principal

Dear Seniors,

Graduation time is always a happy time, and yet, for a passing moment, a sad time. We are all glad that you've reached this important marker in your career, but we also reflect that for you and for us who remain it's the end of a close association lasting three or four long and full years and for your parents the end of your age of dependence. Whether you go to work or to college, you're going to be on your own at last - young men and women. Your parents and teachers are proud that they've helped you on your way to maturity; still, like you, they look back on those carefree years with a touch of regret.

As you face the future, I hope you'll remember your years at Eastern with affection. I also hope you'll remember what we tried to give you to help you on your journey: preparation for your chosen work, reverence for what is good and great in your inheritance, determination to make your world and yourself better, and courage to carry your share of the responsibilities of life.

With these gifts, I think you have a better chance for a good life, which I and your teachers wish you most heartily. Good-bye and God bless you!

Sincerely yours,  
LOUIS K. WECHSLER  
Principal
